About the Founder

Liza Brody is the founder and CEO of HypeHop. She was a member of the first ever Jr. 76ers Dance Team and later joined FloMotion Too Dance Company, a staple in the Philadelphia hip-hop community.

Prior to HypeHop, Liza was an Event Marketer at Verizon and volunteered her time at Ballet for All, a nonprofit dance studio that accommodates all learning styles and abilities. She believes strongly in the magic of dance no matter who you are or where you're from.

Liza started HypeHop to give all kids a place to de-stress and get hyped!
