

**SOS is holding a Virtual Rally for our Senators and Assembly Members
We are thankful for the bonuses some staff will get but the workforce
crisis won't end until the staff is paid properly. We need our
legislators to be our partners in protecting the health, safety, and
survival of some of society's most vulnerable citizens and undoing the
neglect of the past decade.**

**Thursday, February 3 at 4pm
or
Friday, February 4 at 10am**
